Dear Sir or Madam

**Certification Trade Mark Application Nos 1852559, 1852561, 1852562 and 1852563
lodged by OxoPak Pty Ltd**

The Australian Competition and Consumer Commission (the ACCC), in accordance with the provisions of the *Trade Marks Act 1995* (TMA), has completed its initial assessment of the abovementioned Certification Trade Marks.

For the reasons set out in the attached statement of reasons, the ACCC proposes not to approve the CTM applications.

Next steps

The ACCC's initial assessment will be published by the Registrar of Trade Marks in the *Official Journal of Trade Marks* (likely in December 2018). As provided for under the Trade Marks Regulations 1995, if you wish to do so you may:

- i. make a submission in response to the initial assessment (preferably by email to CTMs@acc.gov.au); and/or
- ii. request that the ACCC hold a conference in relation to the initial assessment. The deadline to request a conference is one month after the initial assessment is published in the *Journal*.

If you have any questions about this matter, please contact Elizabeth Batten at CTMs@acc.gov.au or on (02) 6243 1359.

Yours sincerely
